

Product Specification Report

1/96490001/0518

BIG ORANGE EVO AERO is an excellent degreaser and cleaner based on terpenes, with a pleasant orange fragrance. Rinsable with water.

BIG ORANGE EVO AERO

Terpene-based degreaser

FEATURES:

Excellent solvency	Cuts grease and similar soils comparably to petroleum distillates.
Pleasant fragrance	Leaves a fresh, citrus fragrance with no petroleum solvent odours.
New formula	A balanced mixture of terpenes and latest generation surfactants makes for a highly effective formula.

APPLICATIONS:

Effective degreaser for many different applications, from light to heavy-duty cleaning. Formulated to degrease molds, dies, and other industrial equipment. Effectively emulsifies tar and asphalt, and removes many industrial glues and protective coatings. Great cleaner for unpainted concrete floors and for removing scuff and rubber tire marks.

SPECIFICATIONS:

Form Aerosol
Colour Light yellow
Odour Citrus
Solubility in water Emulsifiable

ACTIVE INGREDIENTS:

- Terpenes
- Highly active surfactants

INSTRUCTIONS FOR USE:

For use on small areas. Shake well before use and spray from a distance of approximately 25 cm.

Greasy metal parts/equipment: Apply on the greasy parts. Rub to emulsify the dirt. Leave it to act and then remove with a clean cloth or rinse with water and dry if necessary.

Graffiti removal: Apply and let it act 5 to 10 minutes. Rub with a brush and rinse with a pressure washer.

COMPATIBILITY:

May damage some plastic and painted surfaces. A preliminary test is recommended.

PRECAUTIONS FOR USE:

For more information consult the MSDS.

All information in this document is based on our practical experience and/or laboratory tests. Due to the multiplicity of conditions for usage and variable human factors, we recommend that you always test our products for suitability prior to use. At any time, this version of the product specification report may have been revised based on legislation, availability of the individual ingredients or newly acquired information. The current approved version is available upon request.
