

Superior Solutions

# BRITE STALUME 27

## Powerful liquid cleaner and brightener for aluminium

- Deoxidises in a single step.
- BRITE STALUME 27 is a very powerful degreasing agent.
- A highly concentrated blend of chemicals which removes oxides, pitting, dirt, diesel and smoke deposits from aluminium in only seconds.
- Also removes superficial rust stains.
- Leaves the surface shiny.
- The treated surface is properly renewed.
- Does not contain colourants.
- Deoxidises aluminium sidewalls and bodies on Lorries.
- Degreases the heads of fuel dispensers.
- A liquid which is 100% water soluble. Simply spray or brush the solution onto the aluminium, allow to penetrate and rinse off with water.

### USE

#### Spray:

Dissolve 1 part BRITE STALUME 27 in 3 parts of water. Wet the surface, spray the solution from bottom to top and let stand for 5 minutes. Rub lightly and let stand another 5 minutes. Use a high-pressure hose to rinse thoroughly.

#### Soak:

Make a solution from 1 part BRITE STALUME 27 and 3 parts water. Submerge the object for 10 to 20 seconds. Use a high-pressure hose to rinse thoroughly.

If removing old layers of paint, leave the object in the water bath for 10 to 15 minutes. Use a high-pressure hose to rinse thoroughly.

To degrease lightly soiled objects, the cleaner can be diluted in as much as 9 parts water to 1 part BRITE STALUME 27. Use a high-pressure hose to rinse well.

### USERS

Assembly plants, plumbers, construction companies, cleaning companies, facade cleaners

### CONDITIONS FOR USE

See the instruction for use listed on the package.

Do not use on anodically oxidized aluminium or glass panels. In cold weather, apply the cleaner for a longer period of time.

### SPECIFICATIONS

Appearance: colourless clear liquid

Density at 20 °C: 1.08

pH: < 1
