

Product Specification Report

V. Jun-12

A highly effective dry-spray fabric deodoriser that eliminates tough odours without messy residue.

FABRIC REFRESHER

Dry spray fabric deodoriser

FEATURES:

Use on carpeting, upholstery, curtains, fabrics, laundry hampers, and other sources of malodours in or on fabric.

Non-staining properties make Fabric Refresher an excellent product for use on all fabrics.

Non-residual: Will not build up with repeated use.

Non-Staining: Will not stain carpet, upholstery, or curtains.

Long-lasting: Sub-micron spray penetrates into every fabric in the room.

Encapsulates odour causing molecules: Effectively removes odours.

APPLICATIONS:

Formulated to eliminate foul odours of organic decomposition, certain combustion by-products such as smoke, stale and mildew odours. Ideal for use in: Airport Terminals, Eating & Drinking Establishments, Crematoriums & Funeral Directors, Schools & Educational Services, Hotels & Motels, Nursing Homes, Hospitals, Clinics, Physicians' Offices, Veterinary Clinics, Shopping Malls and Stores, Sports & Recreation Clubs, Government Offices, etc.

PRECAUTIONS FOR USE:

For more information see MSDS.

USE:

As a fabric deodoriser: Spray product 12-15 inches from surface. At this distance spray will not harm delicate fabrics.

As an automobile deodoriser: Spray interior and upholstery to eliminate tobacco and other offensive odours.

SPECIFICATIONS:

Physical-chemical properties	Value
