

# Product Specification Report

1.0/15000001/1021

**ZEP 50 is a degreaser spray that produces a generous amount of foam for the quick and easy degreasing of metal, cement and other surfaces.**

## ZEP 50 AERO

Degreasing foam spray

### FEATURES:

<b>Specifically for greasy dirt</b>	Removes grease, oil and sludge from engines, mechanical parts and equipment. Removes stains from cement floors
<b>Can also be used on wheels and brakes</b>	Removes brake pad dust and dirt from wheel rims and spokes
<b>Safe</b>	Chlorinated-solvent-free. No toxic substances for the user
<b>Practical to apply</b>	Simply spray the product on, wait for it to act, then rinse with water

### SPECIFICATIONS:

Form ..... Foam spray  
Colour ..... White  
Odour ..... Citrus fruits  
Miscibility in water ..... Soluble  
VOC ..... 18%  
Gross volume ..... 800 ml  
Net volume ..... 600 ml

### COMPATIBILITY:

ZEP 50 may be incompatible with some plastics, paints and fabrics. We recommend doing a preliminary test on a small area. If the product comes into contact with incompatible materials, wash it off immediately with water to prevent damage.

### INSTRUCTIONS FOR USE:

Shake the can well. Apply ZEP 50 generously on the surface to be cleaned. Leave it to act for 5 -10 minutes. Then rinse with high pressure water. We recommend using a high-pressure water jet. Repeat if necessary. Before using the product on engines, we recommend running the engine until it reaches operating temperature. Turn the engine on again after rinsing until all the water used to rinse the product off has evaporated.

### PRECAUTIONS FOR USE:

The product is classified as an irritant. We recommend wearing gloves and goggles when using the product. Refer to the Safety Data Sheet for more information.
