

Superior Solutions

Deodorizing toilet bowl cleaner

- Removes limescale and stains from above and below the water line and under the rim.
- Prevents a build-up of scale and bacteria that cause unpleasant odours and also prevents any build-up in drains to keep them flowing freely.
- Penetrates grime quickly.
- Penetrates rust and calcium build-up four times more quickly than regular brands.
- Suitable for use in lavatory bowls and urinals including all coloured ceramics.
- Contains chlorine which removes yellow stains and leaves behind a white spotless finish.
- Acts not just on the surface. As soon as you flush, the cleaner that removes the grime and odour penetrates into the pipes and cleans them.

APPLICATIONS

ZEPSOL is used to clean lavatory bowls and urinals, including all coloured ceramics. After cleaning, the bowl looks new and the unpleasant odour is gone.

DIRECTIONS FOR USE

For cleaning and removing odours

Toilet bowls:

The water in the bowl does not need to be drained-off. Hold the brush above the bowl and apply approximately 30 cl of ZEPSOL to it. Clean the inside, then flush the toilet and rinse the brush.

To deodorize:

Pour 30 to 40 cl of ZEPSOL into the water in bowl. Clean the bowl, toilet seat and seat cover.

Urinals:

Hold the brush on the urinal. Pour about 30 cl of ZEPSOL. Clean the entire surface. Remove the filter and pour 30 to 60 cl of ZEPSOL around the downspout and drainpipe. Clean the downspout, return the filter and flush.

PRODUCT PROPERTIES

Type: Deodorizing toilet cleaner

Colour: Pink

Scent: Acidic odour

Density at 20°C : $\pm 1.11 \text{ g/cm}^3$

pH : <1

NOTE

A small amount of ZEPSOL can also be used for septic tanks.
